

How to Add an “Apply Now” Image to Your Website

1. Download the image you would like to add to your website.
2. Upload the image to your website, or provide to your website manager.
3. Link this image to your Merchant landing page, found in the financing portal, under Settings > Your Settings.

BUTTON LINKS

Select one of the below images to add to your website.

Homeowners' Choice for Consumer-Direct Financing Options
Apply for Financing with JBFin

JBFin offers homeowners free access to dozens of lenders to finance home improvement projects. Over 25 lenders compete to provide the best loan options available in the market.

Our state-of-the-art financing platform offers homeowners eligible loans in seconds! Once applications are completed, homeowners are funded directly from the lender within 24-48 hours!

- Soft Credit Pull
- Approvals starting at 580+ credit score
- Finance new installations, service and repairs
- Bundle multiple home projects into one loan
- Financing covers mobile homes, too!

Apply Now!
